

HEARTLAND REFERRAL PARTNERSHIP

Heartland Heritage Referral Partnership

Building intentional growth, together.

Our Philosophy

At Heartland Heritage Ventures LLC , we believe that the most sustainable growth comes from intentionality. We don't just consult; we partner with founders to build frameworks that allow their businesses to scale without sacrificing their mission or their sanity.

The greatest compliment we receive is a referral from our current partners. We've designed this program to reward you for helping us connect with leaders who are ready to build something that lasts.

Who We Help

We are looking to partner with founders who are:

- Ready to scale: They have a solid foundation but have hit a ceiling and need operational structure.
- Managing multiple ventures: They need help creating systems to grow without burning out.
- Purpose-driven: They are building businesses that align with their values and long-term vision.

The Partnership Reward

For every referred business that signs a 6-month advisory retainer, we are pleased to offer:

* For You: A \$50.00 credit toward your next month of service, or an equivalent donation to a charity of your choice.

* For Them: A complimentary "Strategic Growth Audit" to kick off our partnership.

How It Works

1. Introduce: Send a brief email connecting the potential client to me at info@heartlandheritageventuresllc.com.
2. Consult: We'll host a 30-minute discovery call to ensure it's a good fit for their current growth stage.
3. Reward: Once they sign their retainer agreement, your reward is applied automatically.
